# unique spaces

## Event Center Grand Ballroom

Offering customizable event space, comfortably accommodating groups from 30-800 guests. Featuring herringbone hardwood flooring, soaring ceilings with modern lighting fixtures, the Grand Ballroom is the ideal backdrop for a classic and memorable wedding day.

**The Patio at The Prime Rib®**  
Ideal for more intimate events, The Prime Rib® patio offers 1,500 square feet of adaptable private function space within the Prime Rib. The space features a romantic gas fireplace, retractable roof, and dramatic up-lighting.

## David's

David's provides a stunning atmosphere for a wedding reception. Offering a separate bar with built-in lounge furniture and contemporary aesthetic as well as a sizable dining room with marble tables, a wall of windows, and striking light fixtures. The space is ideal for a dramatic reception.

**The HALL at Live!**  
The HALL offers a one of a kind reception space with industrial elegance. Boasting polished concrete floors, built-in bars, and expansive audio-visual capabilities including three arenasized LED video walls, The HALL provides the perfect setting for a more modern reception.

## Suite Level Lounge (The HALL at Live!)

Located within The HALL, the Suite Level Lounge offers a plush VIP space perfect for cocktail hours. This space is equipped with a private bar, lounge, seating areas and balcony.
