REPORT 2023**

MISSION STATEMENT

Live! Casino & Hotel Maryland® was created by The Cordish Companies, an international developer with deep, local family roots. Their unique combination of innovation and family values is a big part of what makes up our culture. At Live! Casino & Hotel Maryland®, we prioritize community giving and service to help improve the communities where our Team Members and Guests work, live and play. We strive to be the engine for diversified community development and do so through a commitment to philanthropy and volunteerism.

IT'S IN OUR DNA

Community service is more than just a fancy buzzword we toss around our office. It's a pillar of our corporate culture, an essential feature of the work we do every day. Everyone, from our owners to our frontline Team Members, are committed to being strong corporate citizens and improving the regions where we live, work and play. Our leadership team is required to be actively engaged in at least two nonprofits or community organizations and significantly encouraged to sit on a board. Our Team Members are offered volunteer opportunities each month and regularly organize donation drives in an effort to give back to all.

COMMUNITY IMPACT

Live! Casino & Hotel Maryland® generates significant financial support for our home, Anne Arundel County. Through the Anne Arundel County Local Development Council, our tax revenue helps fund a variety of causes to serve the youth, expand human services, beautify the community and enhance education. Those funds also go to improve the operations and capacity for several agencies in Anne Arundel County.

Since we first opened in 2012, Live! Casino & Hotel Maryland® has helped distribute over **\$222 million** in grants to organizations in our home county.

“I want to thank The Cordish Companies, Live! Casino & Hotel Maryland® and the Anne Arundel County Local Development Council for ensuring these funds are available where they are needed most.”

2023 DONATION DRIVES

We understand that not all of our Team Members can lend their time and talent to volunteer in the community. That's why we offer opportunities at Live!® to give back. VOLUNTEERS

In June 2022, Live! Casino & Hotel Maryland[®] celebrated its 10th anniversary with a 24-hour day of service. The day was such a success that we committed to an annual day of service. We fill the day with volunteer activities that touch various communities throughout the region. Now a tradition, the Live![®] Day of Service is a reflection of what we do throughout the year.
